Dear Betty Ann,

I think I am interested in being nominated to the Bridge House board. Thank you for considering me. I would like to attend a board meeting, and I could do Wed. Oct. 21 at 4. Please let me know if that works for you and the board. My bio is attached.

Yours,
Sarah

Would this work for you? With the two other members of Committee now off Board I am kinda holding the bag on this?? Sarah is hard working, uses her connections and represents a Fellowship which is very active in Community Service.

It appears that Sarah would make a wonderful board addition. Perhaps you could circulate her bio to other board members for feedback. And, pending other board input, would welcome her at our next meeting. Thanks,
C
